

Circuit Ride Free/Reduced Fare Hearings Schedule

The Regional Transportation Authority (RTA) will host a series of public hearings to communicate changes to the Seniors Ride Free program. Legislation that became law in February restricted free rides to low income Illinois seniors that are enrolled in the Circuit Breaker program managed by the Illinois Department on Aging. All other seniors will be required to pay a reduced fare. The changes take effect this summer. Seniors age 65 or older are encouraged to attend the hearings to learn about the program changes and the timetable for the changes to take effect.

Monday, June 6
